

**METRO Solutions Communities in Motion** and the **Greater Southeast Management District's Business and Economic Development Committee** have partnered to provide a series of workshops for Southeast businesses. These informational sessions explore how local businesses can benefit from the Southeast METRO light-rail line.

Please join us at our next workshop titled **"Safety and Security During METRO Rail Construction"** featuring **Thomas Lambert, Senior Vice President of Public Safety and Chief of Police for METRO**. Lambert, who has been police chief since the creation of MPD, has won industry awards recognizing him for national leadership and honoring METRO for its work in emergency preparedness.

**Thursday, May 14, 2009**  
**11:30 a.m.—1:00 p.m.**

The Palm Center  
5330 Griggs Rd, Large Training Room
