

METRO and GSMD: Your Road to a Successful Business

METRO Solutions' Southeast Corridor Office and the Greater Southeast Management District (GSMD) are working to provide you with the tools to make your business successful.

METRO will host monthly business assistance workshops to make construction along the corridor as smooth as possible. GSMD will host several workshops that will benefit your business in the new year. We do hope you can attend. All workshops will be held at Palm Center, 5330 Griggs Road, 11:30am — 1:00pm.
